THE OSPREYS JERSEY

Did you know that Ospreys work with several technology companies who display their logo on the front and back of the Ospreys jersey? Can you do some research on our shirt sponsors and find out exactly what these technology companies do?

TIP: YOU'LL PROBABLY NEED TO USE THE INTERNET TO HELP YOU WITH THIS...

Draw a line to which sponsors work within the technology industry and write a sentence explaining what they do.

SPONSOR	WHAT DO THEY DO?

SCIENCE & TECHNOLOGY

KINETIC CATCH CHALLENGE

Make sure your outside with plenty of room. Carefully place the tennis ball on top of large ball, holding one hand under the large ball and the other hand on top of the tennis ball. Let go of both the balls at exactly the same time and see what happens.

TIP: YOU'LL NEED A RUGBY / FOOTBALL AND A TENNIS BALL FOR THIS ACTIVITY...

WHAT SHOULD HAPPEN?

If you dropped the balls at the same time the tennis ball should bounce off the large ball into the air giving you enough time to catch the tennis ball. Have a go and see if you can catch the tennis ball?

GUESS WHO?

We've used technology to alter the images below. Can you guess who they might be?
